

Anna Curtenius Roosevelt, Ph.D.

EDUCATION:

Stanford U., B.A. with distinction, 1968, Department of History
Minors: Anthropology and Classics

Columbia U., Ph.D. with distinction, 1977, M.A., 1974, Department of Anthropology
Human Ecology, Method and Theory, Prehistory of South and Central America

PROFESSIONAL APPOINTMENTS:

U. of Illinois at Chicago

Professor of Anthropology, 1994-

Member of the Awards Committee, College of Liberal Arts and Sciences, 2004-

Member of the Executive Committee of the Graduate College, 2002-04

Member of the Graduate College, 1994-

Director, Lower Amazon Project, 2002- and Congo Basin Project, 2002-

Field Museum of Natural History,

Curator of Archaeology, 1991-2002

Director, Lower Amazon Project, 1991-02, and Congo Basin Project, 1996-02

Member, Science Advisory Council, 1993-98

American Museum of Natural History, New York, Research Associate, 1986-1996

Guest Curator, South American Hall, 1986-89, Director, Lower Amazon Project, 1986-91

Member, Research Fund Committee, 1986-88

Museum of the American Indian, New York

Curator, South and Central America, 1976-85, Associate Curator, 1974-75,

Assistant Curator, 1973-74, Curatorial Assistant, 1970-72

Chair, Exhibition Committee, 1979-85, Member, Curatorial Council, 1974-85

VISITING APPOINTMENTS:

Northwestern U., Adjunct Professor of Anthropology, 1993

University of Illinois at Chicago, Adjunct Professor of Anthropology, 1992-94

Harvard U., Visiting Lecturer in Anthropology, 1991

Boston U., Research Fellow, Center for Remote Sensing, 1991-98

U. of Florida at Gainesville, Adjunct Professor of Anthropology and
Adjunct Curator, Florida Museum of Natural History, 1989

New York U., Adjunct Professor of Anthropology, 1986

GRANTS AND FELLOWSHIPS AS PRINCIPAL INVESTIGATOR:

- Fulbright, Alumni Incentives Awards, application pending, 2005
(environmental archaeology at Santarem, Brazil)
\$25,000 requested
- Office of Social Science Research, Small Grants Program, application pending, 2005
(Congo Basin Project, Democratic Republic of Congo)
\$6,000 requested
- Fulbright, Senior Scholar Research and Teaching Award, Brazil Program, 2001-02
(Environmental Archaeology in the Lower Amazon, Brazil) c. \$25,000
- National Endowment for the Humanities, Research Grant, 1991-93. #RO-22319
(developmental sequence at Santarem, Brazil). \$250,000
(\$125,000 NEH; \$125,000 matching)
- National Endowment for the Humanities, Research Fellowship, 1989-90, \$25,000
and Resident Scholar, School of American Research
- MacArthur Foundation, Five-Year Fellowship, 1988-93, \$265,000
- National Science Foundation, Research Grant, 1987-90. #BNS-8712180
(geophysical survey and excavations, Marajo, Brazil) \$82,284
- National Science Foundation, Research Grant, 1985-88. #BNS-8509846
(geophysical survey and excavations, Marajo, Brazil) \$39,236
- National Science Foundation, Research Grant, 1983-86. #INT-8306494
(geophysical survey and excavations, Marajo, Brazil)
\$20,809. (\$20,000 matching, National Research Council, Brazil)
- National Endowment for the Humanities, Research Grant, 1987-90. #RO-21464
(geophysical survey and excavations at Santarem, Brazil)
\$79,992 (\$54,996 NEH; \$24,996 matching)
- Wenner-Gren Foundation for Anthropological Research, Conference Grant, 1987-89
International Symposium, #190 (Amazonian Anthropology)
- Wenner-Gren Foundation for Anthropological Research, Publication Grant, 1986
#4723 (book subvention) \$10,000
- National Endowment for the Humanities Exhibition Grant, 1982.
(native astronomy in the Americas) \$50,000
- National Endowment for the Arts Fellowship, 1981, \$9,150
- Social Science Research Council, 1980. Advanced Research
(Orinoco basin archaeology, Venezuela) \$4000
- National Endowment for the Humanities, Exhibit/Catalogue Grant, 1979
(native American craft systems) (co-director: J. Smith) \$221,011
- Wenner-Gren Foundation for Anthropological Research, Research Grant, 1978
#3301 (Orinoco archaeology) \$3000
- Ford Foundation Graduate Fellowship for the Ph.D., 1968
U. Pennsylvania, Tuition and \$2400 annual stipend

AWARDS, MEDALS, AND HONORS:

Plenary Lecture, "The Peopling of the Americas", AAAS Annual Meeting, 2003
Achievement Award, Wings Trust, New York, 2003, \$11,000
Anniversary Lecture, U. Colorado (Boulder) Natural History Museum Centennial, 2002 \$1,500
Endowed Lecture, U. West Georgia, 2000, \$1,000
Gold Medal, Society of Women Geographers, 1999
Gavan Memorial Endowed Lecture, U. of Missouri, Columbia, 1998
Officer of the Order of Rio Branco, Brazil, 1997
Explorers Medal, 1997
Bettendorf Medal, Santarem, Brazil, 1996
Endowed Lecture in Human Ecology, Ohio U., Athens, 1994, \$6,000
Phi Beta Kappa Visiting Scholar, 1993-94, \$15,000
Honorary Doctorate of Sciences, Northeastern U., Boston, 1992
Honorary Doctorate of Humane Letters, Mount Holyoke College, 1991

RESEARCH INTERESTS:

Geographic: lowland South America, Central Andes, Central Mexico,
Mexican tropical lowlands, lower Central America, Equatorial Africa
Theoretical: human ecology, cultural evolution, human biology, method and theory
Topical: tropical environment, human-environment interaction, agriculture, hunter-gatherers,
peopling of the Americas, demography, social complexity, ritual and ideology
Technical: interdisciplinary approaches, savanna/rainforest ecology, paleodiet, paleoecology,
chronology, lithics, pottery, iconography, ethnoarchaeology, geoarchaeology, computers
Museological: collection management, object conservation, public education, public parks
Ethical: human rights, education, resource conservation, sustainable development

FIELDWORK:

Project director, Congo Basin Project, Central African Republic, Republic of Congo
(Brazzaville), Democratic Republic of Congo (Kinshasa) 1996-present, 15 participants
Project director, Lower Amazon Project, Brazil – Santarem, Marajo, Curua, 1986-present,
30 participants
Project member, Venezuelan Academy of Sciences/Boston U. Dimensions of Environmental
Change in Northern South America, 1992, 15 participants
Project director, Museum of the American Indian/Museu Goeldi
Marajo Archaeological-Geophysical Project, Brazil, 1982-85, 19 participants
Principle investigator, Museum of the American Indian
Pilot Ecology and Site Reconnaissance, Lowland Mexico, Guatemala, 1985
Project director, Museum of the American Indian
Middle Orinoco Archaeological Project, Venezuela, 1974-81, 11 participants
Field supervisor, Queens College, City U.
Archaeological Project on Formative Central Mexico, Valley of Mexico, 1971-72
Field supervisor, Peabody Foundation Archaeological/Botanical Project, Ayacucho, Peru, 1970
Trainee, Stanford U. Field School, Patterson Shellmound, Alameda County, California, 1967

COURSES:

Native Peoples of South America
Amazonia: A Dynamic Human Habitat, Past Present, and Future
Human Ecology and Cultural Evolution in Lowland South America
Human Ecology and Cultural Evolution in Lowland Mesoamerica and Central America
Human Ecology and Cultural Evolution in the American Tropics
Ancient and Modern Hunter-Gatherers of South America
Hunter-Gatherers of the World
The Peopling of the Americas: From the Bering Straits to Tierra del Fuego
Science and Sociobiology: Human Nature in Human Evolution
Peoples of Sub-Saharan Africa
The Anthropology of Pygmies
Environment and Early Human Evolution in Africa
Introduction to Archaeology
Method and Theory in Archaeology
The Archaeology of Tropical Complex Societies
Environmental Archaeology
The Evolution Solution: What Human Prehistory, Ethnology, and Biology Tell Us about
How to Beat the Ills of Modern Lifestyles

UNIVERSITY SEMINARS:

Columbia U. Seminar on Ecological Systems and
Evolution, member, 1976-1989, chair, 1981-84
Columbia U. Seminar on Art and Archaeology, member, 1984-1989

ADVISOR FOR INDEPENDENT STUDY AND INTERNSHIPS:

New York U., Columbia U., Hunter College, Queens College and City College of the City U. of
New York, Pace U., State U. of New York at Albany, Montclair State College, Monmouth
College, Hofstra College, U. of Massachusetts, Wheaton College, U. of Illinois, U. of Southern
Illinois, Chicago, College of Du Paige, School of the Art Institute of Chicago, Indiana U., Ohio
Wesleyan U., Kenyon College, U. do Para, U. de Sao Paulo, U. do Amazonas, Brazil, U. de
Bangui, Central African Republic

SERVICE ON MASTERS, ORALS, AND DOCTORAL COMMITTEES:

Departments of Anthropology: Columbia U., U. of Illinois, Chicago, Hunter College, City U.,
State U. of New York, Binghamton, Indiana U., U. of Florida at Gainesville,
U. of California, Los Angeles, U. of Virginia, U. Missouri, Columbia
Department of Biology: U. of Illinois at Chicago
College of Pharmacy (Pharmacognosy Program): U. Illinois at Chicago
Departments of Art History: U. of Illinois at Chicago, Columbia University
Departmentos de Arqueologia: U. de Sao Paulo, Brazil, U. Estacio de SA, Brazil
Departamento de Geociencias: U. Federal do Para, Brazil

INVITED OR SPONSORED LECTURES:

NYU, Columbia U., Yale U., Harvard U., CUNY Graduate Center, Cornell U., U. California Berkeley, U. California Los Angeles, U. California San Diego, U. Pennsylvania, Manhattan College, U. Arizona, Trinity College, Princeton U., U. New Mexico, Hartwick College, Monmouth College, Indiana U., U. Chicago, Montclair State U., Rutgers U., U. Minnesota, Minneapolis, U. Texas, Austin, U. Wisconsin, Madison, U. Florida, Gainesville, U. South Florida, U. West Georgia, U. Missouri, Columbia, Boston U., George Washington U., U. Michigan, U. Estacio de SA, Rio de Janeiro, U. de Amazonas, Manaus, Museo Nacional de Antropologia e Arqueologia, Lima, Gothenburg Museum, National Museum, Rio de Janeiro, Museu Goeldi, Conselho Nacional de Ciencia e Tecnologia, Brasil, Smithsonian Institution, American Museum of Natural History, Peabody Museum, Yale U., California Academy of Sciences, American Association for the Advancement of Science, Archaeological Institute of America, Society for American Archaeology, New York Academy of Sciences, Sociedade Brasileira da Arqueologia, Associacao Geologica do Brazil, Society of Women Geographers, Society for California Archaeology, National Park Service, Argentine Academy of Sciences, Buenos Aires, U. de Argentina, Centro Austral de Investigaciones Cientificas, Ministerio de Educacion, Montevideo, American Embassy, Kinshasa, Democratic Republic of Congo, the European Commission, Academia Italiana de Lincei, Rome, Mensa, Sigma Chi, etc.

PEER REVIEW:

National Science Foundation (Systematic Collections panel 1986-88, Graduate Research Fellowships Committee, 1995-96)
National Endowment for the Humanities (panel 1982, 1984, 1987-88, 1992-93)
National Endowment for the Arts, Guggenheim Foundations
MacArthur Foundation; Wenner-Gren Foundation; National Geographic Society
American Association for the Advancement of Science, European Commission
University of Arizona Press, University Florida Press, etc.
Antiquity, Science, Nature, American Anthropologist, American Antiquity, Latin American Antiquity, Human Ecology, Ethnohistory, Man, American Journal of Physical Anthropology, Natural History, Journal of Archaeological Science, Journal of Anthropological Research, etc.

PROFESSIONAL MEMBERSHIPS AND FELLOW HONORS:

American Anthropological Association (Fellow and former Officer)
American Association for the Advancement of Science (Fellow and Officer)
American Academy of Arts and Sciences (Fellow 1992 and former Officer)
New York Academy of Sciences (former Officer)
Royal Geographical Society (Fellow 1990)
Society of Women Geographers (Medalist 1999)
American Ethnological Society (Fellow)
Society of Antiquaries (Fellow)
Society for American Archaeology (Consulting Editor)
American Women for International Understanding

ADVISORY COMMITTEES, BOARDS, OFFICES:

Human Rights Watch, New York
Chicago Committee, 2004-

Conseil Scientifique du Programme Amazonia du CNRS, France, 2004-

John D. and Catherine C. MacArthur Foundation
Consultant to the Fellows Program, 2001-

University of Illinois, Chicago, Graduate College Awards Committee, 2004-
Executive Committee of the Graduate College, 2002-04

European Commission, Brussels
Descartes Prize for Scientific Team Research, Grand Jury, 2000-03

American Association for the Advancement of Science
Nominating Committee, 2001-04
Board of Directors, 1994-97, Anthropology Secretary, 1989-94
Anthropology Steering Committee, Member at Large, 1989-92

Gihon Foundation, Santa Fe
Council of 2000

Science News, Washington, D.C.
Science Service, Board of Directors, 1998-

American Academy of Arts and Sciences, Cambridge
Midwest Council, 1997-2004, Vice-Chair, 2000-02

Human Relations Area Files, New Haven, Advisory Committee, 1996-

Rainforest Alliance, New York
Board of Directors, 1991-97; Founders Board, 1998-

Wenner-Gren Foundation, New York, Advisory Council, 1992-95

Academic and Professional Programs for the Americas, (Harvard University)
Board of Directors, 1991-96, Executive Board, 1991-96

National Science Foundation, Washington, D.C.
Graduate Research Fellowships, Panel,
1995-96, International Division, Advisory Board, 1990-92

American Anthropological Association, Washington, D.C.
Governing Board, 1991-93
General Anthropology Division, Executive Committee, 1990-93
Ethics Committee, 1988-90, Environment Task Force, 1991-1996

Boston U., Center for Remote Sensing, Chair, Evaluation Committee, 1990

New York Academy of Sciences, Committee on Women in Science, 1987-88
Anthropology Co-Chair, 1985-86, Vice Chair, 1984-85
Anthropology Advisory Committee, 1982-86

U. de los Andes Foundation, Bogota, Colombia
Board of Directors, Vice President, 1983-84, Member, 1981-91

Northwestern U. Center for American Archaeology, Board of Directors, 1980-86

New York U., Department of Anthropology, Advisory Committee, 1984-85

Explorers Club, Board of Directors, 1980-86, Chair, Youth Activities Fund, 1980-1983

Council for Museum Anthropology
Chair, Committee on Collections and Theoretical Anthropology, 1986
Nominating Committee, 1985, Vice President, 1983-85, Board, 1979-80

EXHIBITIONS:

Ani Shreati, the Big Drink: Art, Song, and Dance in Shipibo Initiation Ceremony.
Proposal in preparation, 2004. (with C. Philipp and R. Weber)

Centre d'Aceuil, Doli Lodge, Dzanga/Sangha Park, Bayanga, Central African Republic.
1999 (consultant to the exhibition for park visitors)

"Prehistory of Amazonia, the Northern Andes, and the Caribbean", 1989-present.
South American Hall, American Museum of Natural History (guest curator)

"Star Gods of the Ancient Americas", 1982-84. American Museum of Natural History,
New York. Adler Planetarium, Chicago. Museum of Natural Science, Houston.
National Endowment for the Humanities (project director)

"Where the Jaguars are Exalted: Animals in the Art of Ancient Central America", 1980-present.
Museum of the American Indian, New York (project director)

"The Ancestors: Native Artisans of the Americas", 1979-82. U.S. Customs House,
New York. California Academy of Sciences, Museum of Chinese History
and Shanghai Museum. National Endowment for the Humanities
(project director, co-curator with J.G.E. Smith)

"Echoes of the Drums", 1978. U.S. Custom House, New York. American Indian cultures.
National Endowment for the Arts (co-curator with James G.E. Smith)

INTERNSHIPS:

Stanford U. Museum, Classical Archaeology, 1966

Ceramics Laboratory researcher (for course credit) (supervisor: T.B.L. Webster)

American Museum of Natural History, Anthropology, 1967

Ceramics and Textile Laboratory researcher (student trainee) (supervisor: Junius B. Bird)

Queens College of the City U. of New York, Anthropology, 1970-71

Archaeology Laboratory Supervisor (salaried) (supervisors: Paul Tolstoy and Gary Vescelius)

EDITING:

Consulting Editor, *Latin American Antiquity*, Society for American Archaeology, 1989-2003

Associate Editor, *Latin American Anthropology Review*, 1990-95

Editor, Ethics Column, *Newsletter*, American Anthropological Association, 1989-92

LANGUAGES:

French, Spanish, and Portuguese: speaking and reading knowledge

Italian and ancient Greek: basic reading knowledge

Other languages studied: Latin, Hebrew, Akkadian

EDUCATIONAL FILMS:

Programs on the Lower Amazon, Brazil, National Geographic News (consultation and interviews), 2002

”The Water People”, Television series on Amazon history by Francisco Magaldi and Dr. Antonio Porro, 1999 (advisor and writer)

“Depicting Amazonia”, Miniseries proposal, Roger Stone, 1983-1998 (advisory panel)

“Amazonia”, Animation, Faith Hubley, Hubley Studios, 1985 (consultant)

“Star Lore”, Animation, Faith Hubley, Hubley Studios, 1982 (consultant)

SCIENCE AND CULTURAL MEDIA PARTICIPATION:

CBS, NBC, ABC, Channel 5, Channel 11, Channel Thirteen, PBS, WGBH, "Innovation" Series, “Unearthing the Past”, NBC “Today Show”, United States Information Agency Television, “Smithsonian World”, National German Television, National Chinese Television, National Italian Television, BBC TV, O Globo

American Museum of Natural History Radio, Voice of America, BBC Radio, “Quirks and Quarks” Series, National Canadian Radio, Pulse of the Planet, Brazilian National Radio, PBS NPR "All Things Considered", CNN News, CNB Documentary “Women of Discovery”

United Press International, Associated Press, Reuters, New York Times News Service, Washington Post News Service, USA Today Wire Service, Chicago Tribune News Service

Science, The Sciences, New Scientist, Natural History, Nature, Discover, Faces, New Yorker, New York Times Science Section, Science News, Stanford Magazine, The Independent, Chicago Magazine, O Liberal, Folia de Sao Paulo, O Globo, The Nation, El Comercio, Clarin, Newsday, The Miami Herald, Chicago Tribune, Chicago Sun Times, Los Angeles Times, Washington Post, San Francisco Chronicle, El Nacional, Boston Herald, Boston Globe, New Mexican, USA Today, Seattle Times, Star Tribune, Philadelphia Inquirer, Columbus Dispatch, St. Petersburg Times, Tribune, Houston Chronicle, Denver Post, Toronto Star, New Delhi Times, Hartford Courant, Arizona Republic, Atlanta Journal, Evening Sun, Buffalo News, Morning News Tribune, The News and Observer, Richmond Times Dispatch, Courier Post, Austin American-Statesman, News Journal, The Sacramento Bee, Detroit Free Press, Greensboro News & Record, Salt Lake Tribune, Sarasota Herald-Tribune, The Oregonian, Press Telegram, El Siglo, The Statesman, La Raza, Newsweek, The Oregonian, etc.

SYMPOSIA ORGANIZED:

1985a* *Health and Nutrition of Women and Children through the Ages*. New York Academy of Sciences (co-organizer with L. Osmundsen)

1985b* *New Information from Old Collections*. American Association of Museums (co-organizer with F. Norik)

1986* *Planning for Conservation*. American Association of Museums (co-organizer with G. Gardner)

1987* *Anthropology is in the Museum*. American Anthropological Association, General Anthropology Division and American Ethnological Society (co-organizer/chair with F. Norik)

1988 *Opportunities for Government Funding of Anthropology*. New York Academy of Sciences (organizer/chair)

1989* *Amazonian Synthesis: An Integration of Disciplines, Paradigms, and Methodologies*. International Conference, Wenner-Gren Foundation (organizer/chair)

1990a* *Interdisciplinary Methods for Archaeological Problems*. American Association for the Advancement of Science (co-organizer/chair with W. Lipe)

1990b* *Amazonia, A Dynamic Habitat*. American Association for the Advancement of Science (co-organizer/chair with A. Haller)

1990c* *Holistic Archaeology: Beyond the Materialist-Idealist Opposition*. Society for American Archaeology (co-organizer/chair with S. Wilson)

1990d* *Rethinking Native Amazonia*. American Anthropological Association, General Anthropology Division

1991a* *The Deterioration of human health under economic and political development: From Ancient Egypt to USA 1990*. American Association for the Advancement of Science

1991b* *Geophysical Imaging Systems: From Medical Microcosm to Outer Space*. American Association for the Advancement of Science (co-organizer with L. Desmond)

1991c* *Hunter Gatherers in Lowland South America*. American Anthropological Association (co-organizer with S. Beckerman)

1992a* *South American Paleoindians*. American Association for the Advancement of Science

1992b* *Echoes of Conquest in Amazonia*. American Anthropological Association (co-organizer with S. Beckerman)

1993* *Hunter-gatherers in South America: An Evolutionary Problem*. American Association for the Advancement of Science

1995* *The Science of Biodiversity*. American Association for the Advancement of Science (co-organizer with P. Crane)

1996 *Alternative Models for Social Complexity in Ancient Latin America*. Society for American Archaeology (co-organizer and co-chair with John Hoopes)

1997 *Clovis in Context: New Light on the Peopling of the Americas*. Society for American Archaeology (co-organizer with Juliet Morrow)

1999 *New Findings on Prehistoric and Ethnohistoric Societies in Latin America*. Central States Anthropology Association invited session

SYMPOSIA PARTICIPATION:

1977* *Early Settlement of the Moist Tropical Lowlands*. Society for American Archaeology (invited speaker)

1982a* *Paleopathology at the Origins of Agriculture*. Wenner-Gren Conference (discussant)

1982b* *Plant Migration from Amazonia to the Isthmian Region*. International Congress of Americanists (invited speaker)

1982c* *Proteins in Amazonia: A Reassessment*. American Anthropological Association (invited speaker)

1983* *Human Food Preferences and Aversions*. Wenner-Gren Symposium (discussant)

1984a* *Have Artifacts Will Travel*. American Association of Museums (moderator)

1984b *Interpretive Issues for Art Museums*. New York State Council on the Arts Workshop

1984c *West Mexican Sculpture*. Fine Arts Museum of Long Island (discussant)

1985a* *A Problem of Access*. American Association of Museums (discussant)

1985b* *The Role of Gender in Precolumbian Art and Architecture*. International Congress of Americanists (invited speaker)

1985c* *La Investigacion Arqueologica y Los Cacicazgos en America*. International Congress of Americanists (speaker)

1985d* *Definicion Arqueologica de Sistemas Adaptivos en Sudamerica*. International Congress of Americanists (speaker)

- 1985e* *Management of Natural Resources by Indigenous and Folk Societies in Amazonia*. American Anthropological Association (invited speaker)
- 1985f* *Theoretical Context of Archaeological Research*. International Congress on Caribbean Archaeology (invited speaker)
- 1986 *The Application of Remote Sensing to Archaeology*. Center for Remote Sensing, Boston University (trainee and speaker)
- 1988a* *Study of Agrarian Systems: Minimum Data Sets for Comparative Analysis*. American Association for the Advancement of Science (discussant)
- 1988b* *Origins, Adaptations, and Biological Diversity of Native Amazonians*. Museu Goeldi, Belem (invited speaker)
- 1988c* *Early Ceramic Population Lifeways and Adaptive Strategies in the Caribbean*. Society for American Archaeology (discussant)
- 1988d* *Approaches to The Use of Micro-Computers in Archaeology*. Society for American Archaeology (invited speaker)
- 1988e* *Anthropological Problems from the Perspective of Museums*. American Anthropological Association (invited speaker)
- 1990a* *Hunter-Gatherer Lacustrine Adaptations*. Society for American Archaeology (discussant)
- 1990b *Economic Catalysts to Ecological Change*. U. of Florida, Tropical Conservation and Development Program (invited speaker)
- 1990c* *Tropical Forest Ecology, The Changing Human Niche*. American Anthropological Association (discussant)
- 1991a* *An Archaeological Perspective on Geophysical Prospection*. Society for American Archaeology (invited speaker)
- 1991b *Reuniao Cientifica da Sociedade de Arqueologia Brasileira*. Rio de Janeiro (invited plenary speaker)
- 1991c *Workshop on Ecological Change in Northern South America*. Coro, Venezuela (plenary speaker)
- 1991d *Sibley Conference on Kingship and Kinship*. University of Texas (plenary speaker)

- 1992a *Conference on the Quaternary in Amazonia*. Universidade de Amazonas, Manaus, Brazil (invited plenary lecturer)
- 1992b* *Viewing the Environment through Multiple Lenses*. American Anthropological Association (invited speaker)
- 1993a* *The Development of Early Pottery Cultures*. Society for American Archaeology (invited speaker)
- 1993b* *A Synthesis of Lowland South America*. Invited Session, Society for American Archaeology (invited speaker)
- 1993c *Indigenous Peoples and Conservation*. American Anthropological Association (invited speaker)
- 1994a* *Towards Village Life: Origins of Sedentary Communities*. Society for American Archaeology (invited speaker)
- 1994b* *The Organization of Communities*. Society for American Archaeology (discussant)
- 1994c *Ongoing Threats to Indigenous Cultures*. International Congress of Americanists (invited speaker)
- 1994d *Historical Ecology*. Tulane U. (invited speaker)
- 1994e* *Engendered States: Redefining the Patriarchal Past*. American Anthropological Association (invited speaker)
- 1994f* *Measuring and Expanding Public Knowledge About the Environment*. American Anthropological Association (invited speaker)
- 1994g *Currents in Latin America*. Council on Foreign Relations (invited panelist)
- 1994h *Diversity, Development, and Conservation of the Amazon Floodplain*. New York Botanical Garden, Ford Foundation, Conselho Nacional de Desenvolvimento Científico e Tecnológico, Brazil (invited speaker)
- 1995* *Educating the Public about the Environment*. American Anthropological Association (invited speaker)
- 1996a *Arqueologia de las Tierras Bajas*. Ministerio de Educación y Cultura, República Oriental de Uruguay (plenary speaker)
- 1996b *Geologia de Amazonia*. Sociedade Brasileira de Geologia (plenary speaker)

- 1996c *Symposium for the 45th Anniversary of CNPq, the National Research Council of Brazil*. Instituto de Mathematica Applicada e Pura, Rio de Janeiro (invited speaker)
- 1996d *Biodiversity in Amazonia*. Museu Paraense Emilio Goeldi, Belem (plenary speaker)
- 1996e *The Development and Organization of Sociopolitical Complexity in Tropical Environments*. Invited symposium, American Anthropological Association (invited speaker)
- 1996f *Complex Societies in Amazonia*. International Congress of Prehistoric and Protohistoric Sciences (invited speaker)
- 1996g *The Andes: Dynamics of Biotic, Human, and Geologic Patterns through Time*. 19th Annual Field Museum Spring Systematics Symposium (plenary speaker)
- 1997 *International Conference on Ancient Lakes, their Biological and Cultural Diversities*, Lake Biwa, Japan (plenary session coordinator and invited speaker)
- 1998a *Pre-Clovis Human Occupations of the Americas: Holocene Population Formation in Deglaciaded North America and Beringia*. Society for American Archaeology (invited speaker)
- 1998b *The Peopling of the Americas*. International Association for the Study of Human Paleontology, Association of Human Biologists: Dual Congress (invited speaker)
- 1998c *Human Ecology*. International Association for the Study of Human Paleontology, Association of Human Biologists: Dual Congress (speaker)
- 1998d *Women and Gender in Archaeology*, Bellagio, Italy. (invited speaker)
- 1998e *Conference on Remote Sensing in Archaeology*, Boston U., (invited speaker)
- 1998f *Anthropology in the Public Interest*, American Anthropological Association (invited speaker)
- 1998g *Save the Rainforest? The Last Terrestrial Frontier: A Forum on Population and Conservation: Past, Present, and Future*, American Anthropological Association (discussant)
- 1999a *The Peopling of the Americas*. World Archaeological Congress (invited speaker)
- 1999b *Sequences of Cultural Evolution: Political and Economic Dynamics of Long-term Change*. Society for American Anthropology (invited speaker)
- 1999c *Culture and Environment in the Lowland Tropics*. Society for American Archaeology (discussant)
- 1999d *Anthropology at the End of the Century*, Wenner-Gren Symposium (invited speaker)

1999e *The First Americans: The Pleistocene Colonization of the Americas*. Fourth Wattis Foundation Symposium, California Academy of Sciences (invited speaker)

1999f *Diachronic Changes in Human Adjustment: New World Island and Coastal Ecosystems*, Invited Symposium, American Anthropological Association (discussant)

2000a *Fryxell Award Symposium*, Society for American Archaeology (invited speaker)

2000b *Amazonia 500 anos – O V Centenario e o novo milenio: licoes de historia e reflexoes para uma nova era*, International Seminar, Museu Paraense Emilio Goeldi (invited speaker)

2000c *World History 2000 Conference*, University of Texas at Austin (invited speaker)

2000d *A Critique of Darwinian Psychology*, Symposium, American Anthropological Association (invited speaker)

2002a *A Window to the Past: A Door to the Future*, University of Colorado Museum of Natural History Centennial (invited speaker)

2002b *Anthropological Archaeology from the School of American Research – Theoretical and Conceptual Integration: Papers in Honor of Douglas Schwartz*, Society for American Archaeology (invited speaker)

2002c *Amazonian Archaeology*, Society for American Archaeology Roundtable Luncheon (invited co-chair with M. Heckenberger).

2002d *Brazilian Ecosystems: History, Management, and Preservation*, The A. Watson Armour III Spring Symposium, Field Museum (invited speaker)

2003 *The Future of the Rainforest: Does the Past Show the Way to the Future?* Grinnell College (invited speaker)

2004 *Reports from the Lower Amazon Project*. Midwest Conference on Andean and Amazonian Archaeology (invited speaker)

2004 *Panel of Nobelists*. International Science and Engineering Awards (invited panelist)

2005 *Rethinking Rain Forest Occupation: New Research Directions in Tropical Archaeology* Society for American Archaeology (discussant)

2005 *Earth Day*. Des Moines Area Community College (keynote speaker)

BOOKS AND MONOGRAPHS:

1979* *The Ancestors: Native Artisans of the Americas*. New York: Museum of the American Indian/U. of Washington Press. Pp. 197. Edited volume. (first editor with J.G.E. Smith)

1980* *Parmana: Prehistoric Maize and Manioc Subsistence along the Amazon and Orinoco*. Studies in Archaeology. New York: Academic Press. Pp. 320. Monograph.

1982* *Star Gods of the Ancient Americas*. Unpublished exhibition catalogue for the Museum of the American Indian. Pp. 145 typeset. (second author with S. Milbrath and B. Shears)

1991* *Mound-builders of the Amazon: Geophysical Archaeology on Marajo Island, Brazil*. Studies in Archaeology. San Diego: Academic Press. Pp. 515. Monograph.

1994* *Amazonian Indians from Prehistory to the Present: Anthropological Perspectives*. Tucson: U. of Arizona Press. Pp. 420. Edited volume. (symposia organized 1989)

1997* *Excavations at Corozaal, Venezuela: Stratigraphy and Ceramic Seriation*. Yale U. Publications in Anthropology, No. 83. New Haven. Monograph. Pp. 450.

1999* *Ancient Lakes, Their Cultural and Biological Diversity*. Ghent, Belgium: Kenobi Publications. Pp. 340. Edited volume. (third editor with Hiroya Kawanabe and G.W. Coulter)

nda* *Clovis in Context: New Light on the Peopling of the Americas*. In preparation for submission to the U. of Arizona Press. Pp. 450 typescript. (first author with John Douglas and Linda Brown)

ndb *Ancient Amazonia: Environmental Archaeology of the Rainforest*. Book manuscript in preparation for submission to Columbia U. Press. Pp. 450 typescript.

ndc *Ancient and Modern Hunter-Gatherers of South America*. Book manuscript in preparation for submission to U. of Arizona Press. Pp. 305 typescript.

nde *The Evolution Solution: What Anthropology Tells Us About How to Beat the Ills of Modern Lifestyles*. Book manuscript in preparation. Pp. 250 typescript.

ndf *What is Human Nature? Sociobiology Revisited and Revised*. Book manuscript in preparation.

ARTICLES:

- 1972a A Discussion of Chancay Funerary Dolls. *Indian Notes* 8(1): 18-25. New York: Museum of the American Indian.
- 1972b Handedness in Prehistory: A Study of Tools from Ancient Chile. *Indian Notes* 9(4): 98-109. New York: Museum of the American Indian.
- 1974a A Polychrome Urn from Peru. *Indian Notes* 19(1): 2-8. New York: Museum of the American Indian.
- 1974b *Expansion of the Huari Empire*. *Indian Notes* 10(2): 48-58. New York: Museum of the American Indian.
- 1976 Ronquin Revisited. *Proceedings of the 6th International Congress for the Study of Pre-Columbian Cultures of the Lesser Antilles*, Guadeloupe, 1975. Gainesville: U. of Florida. Pp. 117-122. (fourth author with I. Rouse, J.M. Cruxent, and F. Olsen)
- 1978* La Gruta: An Early Tropical Forest Community of the Middle Orinoco. In *Ensayos Antropologicos en Homenaje a J.M. Cruxent*, edited by E. Wagner and A. Zucchi. Caracas: Centro de Estudios Avancados/Instituto Venezolano de Investigaciones Cientificas. Pp. 173-201. (symposia participation 1977)
- 1979* The Goldsmith: The Cocle Style of Ancient Panama. In 1979 under books and monographs. Pp. 66-101.
- 1981a* Isotopic Evidence for Prehistoric Subsistence Change at Parmana, Venezuela. *Nature* 292(5823): 536-538. (second author with N. van der Merwe and J.C. Vogel)
- 1981b The Perils of Parmana. *Early Man* 3(3): 11-17. Center for American Archaeology, Northwestern U.
- 1983 O Museu Esta Descobrimdo Como Viviam os Indios do Marajo. *O Liberal*, Sunday, October 30. Belem.
- 1984a* Population, Health, and the Evolution of Subsistence: Conclusions. In *Paleopathology at the Origins of Agriculture*, edited by M. Cohen and G. Armelagos. New York: Academic Press. Pp. 559-583. (symposia participation, 1982a)
- 1984b Problems Interpreting the Spread of Cultivated Plants in the New World. In *Pre-Columbian Plant Migration*, edited by D. Stone. *Papers of the Peabody Museum of Archaeology and Ethnology* 76. Pp.1-18. Cambridge: Harvard U. (symposia participation, 1982b)
- 1987a* The Evolution of Human Diets. In *Food and Evolution: Toward a Theory of Human Food Habits*, edited by M. Harris and E. Ross. Philadelphia: Temple U. Press. Pp. 565-578. (symposia participation 1983)

1987b* Chiefdoms in the Amazon and Orinoco. In *Chiefdoms in the Americas*, edited by R. D. Drennan and C. Uribe. Lanham, MD.: U. Press of America. Pp. 153-185. (symposia participation, 1985c)

1987c* Review of *Advances in World Archaeology*, vol. 4. *American Antiquity* 52(2): 438.

1988a* Microcomputers in the Lower Amazon Project. *Advances in Computer Archaeology* 4:41-53. (symposia participation, 1988d).

1988b* Interpreting Certain Female Images in Prehistoric Art. In *The Role of Gender in Precolumbian Art and Architecture*, edited by Virginia E. Miller. Lanham, MD.: U. Press of America. Pp. 1-34. (symposia participation, 1985b)

1988c* Defining Prehistoric Biocultural Adaptation in Amazonia. *Congreso Internacional de Americanistas*. Bogota: U. Nacional. (symposia participation, 1985d)

1988d* Archaeological Research on Marajo Island. *Revista do Museu Paulista* N.S. 33: 7-40. Universidade de Sao Paulo.

1989a Early Mound Builders. *Faces*, January: 10-14. American Museum of Natural History and Cobblestone Publishing.

1989b* Lost Civilizations of the Lower Amazon. *Natural History*, February: 74-83. New York: American Museum of Natural History.

1989c* Resource Management in the Amazon Basin Before the European Conquest: Beyond Ethnographic Projection. In *Natural Resource Management by Indigenous and Folk Societies in Amazonia*, edited by D. Posey and W. Balee. New York Botanical Garden. *Advances in Economic Botany*, No. 7: 30-61. (symposia participation, 1985e)

1989d Discussion. In *Early Ceramic Population Lifeways and Adaptive Strategies in the Caribbean*, edited by P. E. Siegel. British Archaeological Reports, International Series, No. 506. Pp. 407-418. (symposia participation, 1988c)

1990a The Historical Perspective on Resource Use in Tropical Latin America. In *Economic Catalysts to Ecological Change*. Working Papers, Tropical Conservation and Development Program, Latin American Studies. Gainesville: U. of Florida. Pp. 29-64. (symposia participation, 1990b)

1990b Review of *Lords of the Tiger Spirit: A History of the Caribs in Colonial Venezuela and Guyana*, by Neil L. Whitehead. *Man* 25(4): 722.

1990c Review of *Travels and Archaeology in South Chile*, by J. Bird and M. Bird, edited by J. Hyslop. *Latin American Anthropology Review* 2(1):72-74. (appeared 1991)

1991a* Determinismo Ecologico na Interpretacao do Desenvolvimento Social Indigena da Amazonia. In *Origens, Adaptacoes, e Diversidade Biologica do Homen Nativo da Amazonia*, edited by W. Neves. Belem: Museu Goeldi. Pp. 103-141 (symposia participation, 1988b)

1991b* Eighth Millennium Pottery from a Prehistoric Shell Midden in the Brazilian Amazon. *Science* 254(5038): 1621-1624. (first author with R. Housley, I. Imazio da Silveira, S. Maranca, and R. Johnson)

1992a* Sociedades Prehistoricas do Amazonas Brasileiro. In *Brasil nas Vesperas do Mundo Moderno: Brazil e Africa*, edited by Francisco Farias and J. Diaz. 2 vols. Lisbon: Comissao Nacional para as Comemoracoes dos Descobrimentos Portugueses. Vol. 1, pp. 17-45.

1992b* Arqueologia Amazonica. In *Historia dos Indios no Brazil*, edited by M. C. da Cunha. Sao Paulo: Companhia das Letras: Secretaria Municipal de Cultura. Pp. 53-86. Second edition 1998.

1992c* Secrets of the Forest: An Archaeologist Reappraises the Past--and Future--of Amazonia. *The Sciences* November/December: 22-28. New York: New York Academy of Sciences. Reprinted in 2001.

1993* The Rise and Fall of the Amazon Chiefdoms. *L'Homme* 33 (126-128): 255-284. Special Issue. *Le Remontee de l'Amazone: Anthropologie et Histoire des Societes Amazoniennes*, edited by A.-C. Taylor and P. Descola. Paris.

1994* Amazonian Anthropology: Strategy for a New Synthesis. In 1994 under books and monographs. Pp. 1-29. (symposia organized, 1989)

1995a* Educating Natural Scientists about the Environment. In *Anthropological Contributions to Environmental Education*, edited by T.A. Arcury and B.R. Johnson. *Practicing Anthropology* 17(4): 25-28. (symposia participation, 1995)

1995b* Early Pottery in the Amazon: Twenty Years of Scholarly Obscurity. In *The Emergence of Pottery: Technology and Innovation in Ancient Societies*, edited by W. Barnett and J. Hoopes. Washington, D.C.: Smithsonian Institution. Pp. 115-131.

1995c* Marajoara, Santarem, and Taperinha. *Encyclopedia of Latin American History and Culture*. New York: Charles Scribner's Sons.

1996a* Paleoindian Cave Dwellers in the Amazon: The Peopling of the Americas. *Science* 272: 373-384. (first author with M. Lima Costa, C. Lopes Machado, M. Michab, N. Mercier, H. Valladas, J. Feathers, W. Barnett, M. Imazio da Silveira, A. Henderson, J. Sliva, B. Chernoff, D. Reese, J.A. Holman, N. Toth, and K. Schick)

1996b Review of *Indigenous Peoples and the Future of Amazonia: An Ecological Anthropology of an Endangered World*, by L.E. Sponsel. *Man* 2(3): 564-565.

- 1996c Complex Societies in Amazonia. In *The Origins of Complex Societies in Tropical Forests (Amazonia, The Lowland Maya Region of Northern Guatemala and Southern Mexico)*, edited by T. Hester, International Union of Prehistoric and Protohistoric Sciences Colloquium XXXIV: 27-31. Forli, Italy: A.B.A.C.O. Pp. 27-32. Abstract. (symposia participation, 1996f)
- 1996d* South America, Prehistory and Early History of the Amazon. *Oxford Companion to Archaeology*, edited by Brian N. Fagan. New York: Oxford U. Press.
- 1996e* Mounds of the Amazon. *Oxford Companion to Archaeology*, edited by Brian Fagan. New York: Oxford University Press.
- 1997a The Influence of Geology on Soils, Biota, and the Human Occupation of Amazonia. For *Geology and Society*, edited by M. Lima da Costa. Belem: U. Federal do Para, Centro de Geociencias. Pp. 1-14. (symposia participation, 1996b)
- 1997b Ancient and Modern Hunter-Gatherers of Amazonia. In *The Wonders of Science*. Rio de Janeiro: Instituto de Mathematica Pura e Aplicada, CNPq. Pp. 27-41. (symposia participation, 1996c)
- 1997c The Case of the Caverna da Pedra Pintada. *Explorers Journal* 74(4): 23-25.
- 1997d Conversations with the Community: AAAS at the Millennium. *Science* 278:2066-2067. (author with S. Jasanoff, Rita Colwell, M.S. Dresselhaus, R.D. Goldman, M.R.C. Greenwood, A.S. Huang, W. Lester, S.A. Levin, M.C. Linn, Jane Lubchenco, M.J. Novacek, J. Taylor, and N. Wexler, in alphabetical order)
- 1997e* Dating a Paleoindian Site in the Amazon in Comparison with Clovis Culture. *Science* 275: 1950-1952. (first author with Marcondes Lima da Costa, Linda Brown, John E. Douglas, Matthew O'Donnell, Ellen Quinn, Judy Kemp, Christiane Lopes Machado, Maura Imazio da Silveira, James Feathers, and Andrew Henderson)
- 1998a* Ancient and Modern Hunter-Gatherers of Lowland South America: An Evolutionary Problem. In *Advances in Historical Ecology*, edited by W. Balee. New York: Columbia U. Press. Pp. 190-212. (symposia participation, 1994d)
- 1998b* Paleoindian and Archaic Occupations in the Lower Amazon, Brazil: A Summary and Comparison. In *Festschrift Honoring Wesley Hurt*, edited by Mark Plew. Lanham, Md.: U. Press of America. Pp. 165-192.
- 1998c Lita Osmundsen (1926-1998). *American Anthropologist* 100(3): 753-756. (third author with Mary Ellen Morbeck and Mary Catherine Bateson) (appeared 1999)
- 1998d* Luminescence Dates for the Paleoindian Site of Pedra Pintada, Brazil. *Quaternary Geochronology* 17(11): 1041-1046. (last author with M. Michab, J.K. Feathers, J.-L. Joron, N. Mercier, M. Selos, H. Valladas, and J.-L. Reyss)

- 1999a* Twelve Thousand Years of Human-Environment Interaction in the Amazon Floodplain. In *Diversity, Development, and Conservation in Amazonia's Whitewater Floodplains*, edited by C. Padoch, J.M. Ayres, M. Pinedo-Vasquez, and A. Henderson. *Advances in Economic Botany*, Vol. 13. New York: New York Botanical Garden. Pp. 371-392. (symposia participation, 1994h)

ARTICLES IN PRESS OR IN PREPARATION FOR PUBLICATION:

nda* L'Utilizzazione delle Risorse Vegetali: Il Caso dell'Amazzonia. In *Il Mondo dell'Archeologia*, Vol. I., edited by Sabatino Moscati. Rome: Istituto della Enciclopedia Italiana, Fondata da Giovanni Treccani. P. 629.

ndb* Amazzonia, Culture della. In *Il Mondo dell'Archeologia*, Vol. I., edited by Sabatino Moscati. Rome: Istituto della Enciclopedia Italiana, Fondata da Giovanni Treccani.

ndc* Prehistoric Complex Society at Santarem in the Brazilian Amazon. In preparation for submission to *Science*. (first author with Ellen Quinn, John Douglas, Bruce Bevan, Linda Brown, Marcio Amaral, Chris Philipp, Maura Imazio da Silveira, Vilacy Galucio, and Vera Guapindaia).

ndd* Clovis in Context: New Light of the Peopling of the Americas. *Human Biology* 1-2(1-5). (symposia participation, 1998b)

nde* Another Look at the Statistics of Clovis Dating. For nda under books and monographs. (third author with L. Brown and J. Douglas) (symposia organized, 1997)

ndf* Clovis Dating and Stratigraphy Revisited. For nda under books and monographs. (first author with L. Brown, J. Douglas, E. Quinn, M. O'Donnell, and J. Kemp) (symposia organized, 1997)

ndg Terminal Pleistocene Occupations in North Asia and the Americas: Dating, Lithics, and Geography. For nda under books and monographs. (first author with J. Douglas, L. Brown, and E. Quinn. (symposia participation, 1998a)

ndh* Who's on First? There's Still No End to the Controversy over When and How Humans Populated the New World. For *Introduction to Anthropology Study Guide*, edited by Kevin Means. Dubuque, Iowa: McGraw-Hill Primis Custom Publishing. (First published in 2000, *Natural History* 7: 76-79.)

ndi* Ecology in Human Evolution: The Role of the Environment in the Origins of the Species and the Development of Societies. In preparation for *Anthropological Archaeology from the School of American Research – Theoretical and Conceptual Integration: Papers in Honor of Doug Schwartz*, edited by V. Scarborough and R. Leventhal.

ndj* Geophysical Archaeology in the Lower Amazon: A Case Study. In preparation for *Remote Sensing in Archaeology*, edited by Farouk El Baz and James R. Wiseman. Plenum Publishers.

ndk* Early Peoples of Amazonia. In preparation for *Handbook of South American Archaeology*, edited by Helaine Silverman and William Isbell. Montreal: Kluwer.

ndl Review of *Early Inhabitants of the Amazon Tropical Rain Forest: A Study of Humans and*

Environmental Dynamics by S. Mora. In press at *American Anthropologist*.

ndm Review of *Archaeology of Formative Ecuador* by J. S. Raymond and R. Burger. In preparation for *Journal of the Royal Anthropological Institute*.

UNPUBLISHED PAPERS AND REPORTS:

1982 El Metodo y la Teoria de la Arqueologia Amazonica. Presented at the Museo Nacional de Antropologia y Arqueologia, Lima.

1983 Nova Luz para Arqueologia Marajoara. Prepared for *Revista de Archeologia*. Belem: Museu Goeldi.

1984 Isotopic Evidence for The Role of Maize in the Ancient Mayan Diet. (first author with H. Krueger, C.H. Sullivan, and M. Hopkins)

1985a Isotopic Evidence for the Role of Maize in Prehistoric Amazonian Subsistence. (first author with H. Krueger, C.H. Sullivan, and M. Hopkins)

1985b Prehistoric Plant Use in the Middle Orinoco Basin: Trees. (second author with C. E. Smith).

1985c Project Report to the National Science Foundation.

1987a Anthropology is in the Museum. (symposia organized, 1987)

1987b A Revolution in Amazonian Archaeology. (symposia organized 1987)

1988a The Fallacy of the Tropical Rain Forest Model in Mesoamerican and Amazonian Anthropology. Prepared for the manuscript *The Study of Agrarian Systems: Standardizing Measurement for Comparative Analysis*, edited by E. Moran. (symposia participation, 1988f)

1988b Project Report to the National Science Foundation.

1990a* Household and Community through Ground-probing Remote-Sensing. (symposia organized, 1990a)

1990b* Methodological Issues in Amazonia. (symposia organized, 1990b)

1990c* The Museum of the American Indian: A Troubled Past and Hopeful Future. Prepared for *Anthropology from the Perspective of Museums*, edited by T. Kehoe. (symposia participation, 1988e)

1991a Project Report to the National Science Foundation.

1991b Project Report to the National Endowment for the Humanities.

1994 Project Report to the National Endowment for the Humanities.

1997 Tropical Forests and Human Evolution: A Stone Age Site in the Tropical Rainforest, Northwest Congo Basin, Central African Republic. Prepared for the International Association for the Study of Human Paleontology/Association of Human Biologists: Dual Congress.

2000a Project Report on the Excavations at Ngolio, Central African Republic. (first author with B. Mbongo, M. Imazio da Silveira, H. Zana, J. Douglas, D. Harris, and Ellen Quinn. (symposia participation, 1989c)

2000b Environment and Subsistence in Human Evolution: Sociobiology Revisited and Revised. Prepared for, *A Critique of Social Darwinism*, edited by B. Ferguson and R. Sussman.

2001 Relatorio e Projeto sobre Levantamentos e Escavacoes a Curupite, Altamira, Para, Brazil. Submitted to Instituto do Patrimonio Historico e Artistico Nacional, Brazil.

2002 Relatorio e Projeto sobre Levantamento e Escavacoes a Santarem, Para, Brazil. Submitted to Instituto do Patrimonio Historico e Artistico Nacional, Brazil.
